

The right approach leads to success.

Bridgestone's VTS (V-steel Traction-Stability), VLT (V-steel L Traction) and VLTS (V-steel L Traction S) tires for your articulated dump trucks and loaders provide excellent traction and flotation in muddy or rough-haul conditions resulting from their unique self-cleaning action. And Bridgestone's special tread compound offers exceptional cut and wear resistance for optimized longevity. The numerous size variations available are the perfect complement to the many other benefits of VTS, VLT and VLTS tires. Selecting the right approach for each vehicle will lead to success.

VTS VLT/VLTS

V-Steel Traction-Stability

	Tire size	TRA code
VTS	550/65 R25	L3
	650/65 R25	L3
	775/65 R29	L3
VLT	20.5R25	E3
	23.5R25	E3

V-steel L-Traction

	Tire size	TRA code
VLT	750/65R25 (30/65R25)	E3
	26.5R25	E3
	29.5R25	E3
	33.25R29*	E3
	37.25R35*	E3
	40.5/75R39*	E3

V-steel L-Traction S

	Tire size	TRA code
VLTS	20.5R25	E4
	23.5R25	E4
	750/65R25 (30/65R25)	E4
	26.5R25	E4
	29.5R25	E4
	875/65 R29	E4
